#### **Activity:**

\* Each card has a color code and description on the back for your use.

Yellow-African

Orange-American Indian

Green-English

The categories for discussion are: Food, Shelter, Money, Community, Clothing, Travel, and Tools.

1. Pass out the pictures representing the three different cultures (African, American Indian, and English).
2. Have students brainstorm which culture their picture would represent.
3. Once they think they know have them attach the picture to the chart under their chosen category
4. Discuss why they chose that placement
  - a. If it is correct explain why
  - b. If it is not correct place the card in the correct category and explain why this is a better placement.
    - i. Use the chart in the binder to check picture placement
